## Stunning 4 star apartment, heart of Annecy, free parking

Explore Annecy's shops and restaurants and lakeside beaches from historic apartment

### About Le SwansDoors ...

If location is everything, then you've got it all at Le SwansDoors. This stylish 4 star apartment is actually part of the ancient city walls, and the Perrière Gate, which was the main entrance to the medieval town. Perfect sound proofing will insure a quiet environment in the heart of the action.

The apartment is on the Rue Perrière, which runs parallel to the main canal, and the famous Palais de l'Île is just a few steps away. Here you'll find beautiful waterside restaurants, shops, and many pretty bridges spanning the canal and waterways. You can actually see the Perrière Bridge, which crosses the Thiou canal, from the living room window.

What more could you want? Well how about ice cream? The apartment sits over the town's most famous ice cream parlour, the Glacier des Alpes, where the choice of flavours will make your head spin.

You don't need a car when you stay at Le SwansDoors - everything you could need is right on your doorstep - cafes, bars and restaurants, a huge variety of unique shops, lakeside beaches and cycle trails. However, the owner has arranged a free secure parking space for guests in a nearby car park - a great bonus in this pedestrianised town.

Pick up delicious cheese, chocolates and other local produce at the markets, which take place three times a week, rummage through dusty antique and book shops, browse in the art galleries, or just explore the cobbled streets and canals that criss-cross this Venice of the Alps. There's also a popular flea market, on the last Saturday of the month, which is well worth a visit.

Annecy is just four hours from Paris by train, and less than 30 minutes from Geneva airport, so it's perfect for a short break, but if you can, make time to explore the lakeside villages and the mountains that surround them.
